

Interviewing in Consulting

Opportunity for one-on-one speed interview w/consultant

How to ace the case interview

Interview season is right around the corner, and the time has come to focus on how best to prepare for the interview. Maybe you have already applied for an internship or a full-time position in consulting, or maybe you are just starting preparations early? Either way, A.T. Kearney is hosting a case interview preparation session at Scandic Nidelven to help you prepare.

This session gives unique insight into the full interviewing process with special attention to the case interview. We will present different types of cases that you can encounter, and give advice on how you can structure your case solving, and drive the case forward. We will round off the session with a mock-interview between two consultants to exemplify what a successful case solving can look like. **We are here to help you prepare!**

We will kick-off the event with the famous breakfast at Scandic Nidelven. Following the session, you can test your interviewing skills in a speed interview with one of our consultants. You will be given the opportunity to sign up for speed interview when you are selected to participate.

Apply for this exclusive breakfast and interview session online via www.atkearney.no/careers/recruiting-and-events with CV and grade transcripts no later than 29 Aug 2018. Please note that there is a limited number of seats available for this event. The session and ensuing speed interviews will be conducted in Norwegian.
